

# **PRODUCT PRICING SHEET**

## **System Interface Products (SIP)**

| System Interface Products |   |                 |
|---------------------------|---|-----------------|
| Base Part Number          | Product   | Price Qty 1 - 9 |
| MT-25                     | Mux / Tee (Standard Power)                        | \$285.00        |
| MT-40                     | Mux / Tee (High Power)                            | \$295.00        |
| RPT-25                    | Redundant Power Tee (Standard Power)              | \$285.00        |
| RPM                       | Redundant Power Module                            | \$295.00        |
| TT-25                     | Thru Tee (Standard Power)                         | \$290.00        |
| TT-40                     | Thru Tee (High Power)                             | \$320.00        |
| MOS                       | 10 MHz Master Oscillator (standalone)             | \$525.00        |
| POS                       | 10 MHz Precision Oscillator (standalone)          | \$785.00        |
| MOM                       | 10 MHz Master Oscillator with Module              | \$925.00        |
| POP                       | 10 MHz Precision Oscillator with Package (Module) | \$1,165.00      |
| MODM                      | 10 MHz Master Oscillator with Dual Modules        | \$1,245.00      |
| PODM                      | 10 MHz Precision Oscillator with Dual Modules     | \$1,480.00      |
| SP10                      | 10 MHz Hi Isolation 3-way Splitter                | \$265.00        |
| PS1                       | Switching Power Supply for LNB - North America    | \$60.00         |
| PS30                      | Switching Power Supply - Global, 30W              | \$95.00         |
| PS130                     | Switching Power Supply - Global, 130W             | \$225.00        |
| JPSS-8                    | SMA to SMA 8 inch jumper LMR200 cable             | \$20.00         |
| JPBB-8                    | BNC to BNC 8 inch jumper RG316 cable              | \$20.00         |
| B2PA                      | BNC to Pigtail adapter                            | \$15.00         |
| B2BPA                     | BNC to Binding Post adapter                       | \$21.00         |

**Notes:**

1. Currency: US Dollars
2. Delivery: 1-4 weeks depending on model, quantity, and stock levels
3. Warranty: 2 years
4. Replacement Policy: Defective product repaired or replaced during warranty period
